

SPRING 2012

'Greetings'...from The Greets

Welcome to the latest installment of 'Greetings'... from The Greets, updating our loyal customers and those still yet to pop in, with a taste of what's going on, here at The Greets Inn.

Natalie & Duncan Entwistle

We are pleased to report that The Greets was the focus of some great media attention in the build-up to Christmas, receiving fabulous reviews in both The West Sussex County Times and All About Horsham Magazine. We were delighted with what they had to say about us and feel justifiably proud of the fabulous team we have in place here.

Using the freshest, locally sourced Sussex produce to create innovative dishes, along with a rich selection of classic favorites, is what we do best and the talented team in the kitchen, under the guidance of head chef Paul Lowe, are continuing to produce some amazing work, impressing the food lovers who choose to dine with us for either lunch or dinner... or both!

We are fortunate to be surrounded by some fabulous Sussex producers and suppliers, with whom we work closely, to ensure that we use the very best seasonal ingredients at their prime and perfect for eating. This attention to detail is reflected in the quality of the food that's to be found on our seasonal menus and specials board, which we serve up at great value prices.

The Greets Inn is a magical place at any time of year, but right now, with the open fires roaring under the heavily beamed ceiling of the bar, this historic property is full with a certain rustic charm that's simply wonderful.

We hope this specially prepared update will inspire you to pay a visit here soon. As custodians of this centuries old building, we are sensitive to the significant role it has played - and continues to play - in the lives of many families living in Warnham and the local area, generations of which have chosen to spend time here, shaping memories to last a life-time. Although The Greets enjoys a fine reputation extending far beyond the Sussex borders, we are mindful of the fact that it always has and always will be an important part of Warnham Village life.

We look forward to welcoming you soon, however if you have any views or comments you wish to share with us, we would be delighted to hear from you.

Until next time,

Natalie & Duncan Entwistle

Boris popped in

Mayor of London, Boris Johnson, stop by The Greets Inn to enjoy a spot of Sunday lunch, just before Christmas.

He was in the Warnham area visiting family and he certainly seemed to enjoy his Sausage & Mash here with us... it was a cleaned-up plate that was returned to the kitchen!

Here he is with an excitable looking Duncan!

The Greets scoops top award for the quality of its ale

We have recently been awarded Cask Marque accreditation for serving the perfect pint of cask conditioned ale.

"This award is a great endorsement for us," says Duncan. "A lot of our customers visit the pub especially for the cask ale and it is really gratifying to know that we are getting the formula just right."

Backed by 34 of the country's leading brewers and pub companies, Cask Marque accreditation is only awarded to licensees whose ale passes a series of rigorous independent beer quality audits.

Since its foundation in 1997, Cask Marque has inspected over 150,000 pints of beer and accredited over 7,500 of the country's 36,500 pubs estimated to serve one or more cask conditioned ales.

Cask Marque director, Paul Nunny, said: "Duncan and Natalie should feel justifiably proud of this excellent achievement, which not only recognises the effort they put into serving the perfect pint but also acts as an independent guarantee of quality for customers."

"All too often, publicans don't appreciate the care and attention cask beers require and then run the risk of losing custom by serving pints that are below par."

Regulars contribute to 'make-over' at historic village local

In the true spirit of 'supporting your local', a number of Greets Inn regulars recently joined together with owners, Natalie and Duncan Entwistle, to give the historic building a make-over. Together, they painted the building throughout; installed new lighting, reworked the cosy 'snug' area and revamped the bar, all in an incredible 24 hours!

Duncan and all involved were amazed at what was achieved, commenting he said: "The enthusiastic support we received to assist with our make-over was just incredible and testimony to the high regard in which the Greets is held in the village. We decided to see what could be achieved within 24 hours

and the result is simply amazing, with many people commenting on the changes that have been made."

Success of Twixmas stroll leaves walkers looking forward to Easter

Coinciding with the Festival of Winter Walks, The Greets Inn staged a Twixmas stroll between Christmas and New Year.

The guided walk through the picturesque Warnham countryside was a real success, raising £125 for the Dame Vera Lynn Trust for Children with Cerebral Palsy.

Those taking part enjoyed a free bacon roll and cup of tea at The Greets before setting off to see the Sussex countryside in all its seasonal splendor, whilst burning off a few of those extra Christmas pounds at the same time!

The Greets was open for business after the walk, serving a wonderfully festive, specially prepared two course menu and line-up of drinks, for the many that chose to stop by and warm-up in front of the roaring log fire.

The walk was such a hit with dozens of walkers and locals wishing to see the local countryside, that an Easter Stroll is being planned for Good Friday. Make a note in your diary and we'll keep you informed with more details, a little nearer the time. Once again, it will be raising funds for the Dame Vera Lynn Trust.

More information on the Dame Vera Lynn Trust for children with cerebral palsy can be found on the trust website www.dvltrust.co.uk
